

**Dear Fellow Citizens:**

On the 24th of March a new Mayor is to be elected in Mörfelden-Walldorf. Many of you are citizens of a member state of the European Union or are naturalised citizens of Germany and are therefore entitled to vote in this election.

Please be sure to exercise your right to vote in the election, or, should you not be present on the day, register to vote by mail.

If you have questions please feel free to contact us for help in order to ensure that you can exercise your right to vote and thus place a valid ballot.

**Our most important programme items are:**

(1) More financial support for municipalities by the state. No further demands on local citizens in further taxes and fees.

(2) more affordable housing should be made available. "Sozialer Wohnungsbau" (public housing) under municipal control, without detriment of protected nature and green spaces

(3) public child care must be expanded. Enabling child care in the hours normally not available or taken care of ("Randzeiten").

You can find more info on [www.DKP-MW.de](http://www.DKP-MW.de) und [www.Alfred-J-Arndt.de](http://www.Alfred-J-Arndt.de)

We fight with you for equality, social justice and humane living and working conditions. Independent of race, creed or religion. For a Mörfelden-Walldorf worth living in.

If you want to do more than just vote, if you want to get involved instead of just being annoyed by things that happen or things that don't happen but should, contact us. We will be happy to receive your comments and criticism.
